

# Did You Know That Each Year:

25 million children ride school buses to and from school each day.

Safety Record\*:

- 5 passenger fatalities
- 15 pedestrian fatalities at school bus stops

25 million children use various other means to get to and from school each day.

Safety Record\*:

- 448 fatalities in passenger vehicles with a teenage driver
- 169 fatalities in passenger vehicles with an adult driver
- 131 fatalities to pedestrians
- 46 fatalities to bicyclists

***So, how do you want your kids  
to get to and from school?***

Provided as a public service by The National Association of State Directors of Pupil Transportation Services. 1-800-585-0340
